CASH SETTLEMENT PRICES

The following are underlying settlement prices which have been determined by the Reporting Authority for index or other cash settling options, furnished to OCC by OCC's Participant Exchanges for the purpose of expiration Ex-by-Ex processing. These prices are for contracts expiring on Friday, July 20, 2012.

In the following list the expiring option symbols are on the left. The "settlement value symbol" is that symbol that can be used to retrieve the settlement price from price vendors. In many cases, for example, "settle-on-open" index options, such symbols are different from the option symbols themselves.
