Proposed Rule Change  
by

**THE OPTIONS CLEARING CORPORATION**

Pursuant to Rule 19b-4 under the  
Securities Exchange Act of 1934

**Item 1. Text of the Proposed Rule Change**

The Options Clearing Corporation (“OCC”) proposes to amend an interpretation, as set forth below, following the definition of “fund share” in Article I, Section 1 of its By-Laws. The purpose of the proposed interpretation is to provide legal certainty for the trading of options on exchange-traded fund shares (“ETFs”) holding palladium and platinum. Material proposed to be added to OCC’s By-Laws as currently in effect is underlined and material proposed to be deleted is enclosed in brackets.

<sup>1</sup> Note that the Interpretations and Policies under Article I, Section 1.F.(8) are presented as giving effect to the changes proposed in OCC-2009-20, which is a pending rule change. In the event OCC-2009-20 remains pending at the time this filing is approved, the Interpretations and Policies under Article I, Section 1.F.(8) would read as follows:

***...Interpretations and Policies:***

For the elimination of doubt, OCC will treat as within this definition of “fund share,” and will clear and treat as options on securities, any option on SPDR Gold Shares, iShares® COMEX Gold Shares, [or] iShares® Silver Shares, ETFs Palladium Shares or ETFS Platinum Shares. **Item 2. Procedures of the Self-Regulatory Organization**

OCC’s Board of Directors authorized the clearing of options and futures on commodity-based ETFs and the filing of a related rule interpretation at a meeting held on January 31, 2008.

Questions regarding the proposed rule change should be addressed to Jean M. Cawley, Senior Vice President and Deputy General Counsel, at (312) 322-6269.

**Item 3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

The purpose of the proposed rule change is to remove any potential cloud on the jurisdictional status of options or security futures on ETFS Palladium Shares or ETFS Platinum Shares. To accomplish this purpose, OCC is proposing to amend the interpretation following the definition of “fund share” in Article I, Section 1 of OCC’s By-Laws as set forth above. On May 30, 2008, the Commission approved rule filing SR-OCC-2008-07, which added this

interpretation with respect to the treatment and clearing of options and security futures on SPDR Gold Shares and on December 4, 2008, the Commission approved rule filings SR-OCC-2008-13 and SR-OCC-2008-14, which extended similar treatment to options and security futures on iShares® COMEX Gold Shares and iShares® Silver Shares. The Commission is currently reviewing OCC's rule filing SR-OCC-2009-20, which would extend similar treatment to options and security futures on ETFs Physical Swiss Gold Shares and ETFs Physical Silver Shares. Under the current proposed rule change, OCC would also (i) clear and treat as securities options any option contracts on ETFs Palladium Shares and ETFs Platinum Shares that are traded on securities exchanges and (ii) clear and treat as security futures any futures contracts on ETFs Palladium Shares and ETFs Platinum Shares.

In its capacity as a “derivatives clearing organization” registered as such with the CFTC, OCC is filing this proposed rule change for prior approval by the CFTC pursuant to provisions of the Commodity Exchange Act (the “CEA”) in order to foreclose any potential liability under the CEA based on an argument that the clearing by OCC of such options as securities options, or the clearing of such futures as security futures, constitutes a violation of the CEA. The products for which approval is requested are essentially the same as the options and security futures on SPDR Gold Shares, iShares® COMEX Gold Shares and iShares® Silver Shares that OCC currently clears pursuant to the rule changes referred to above and exemptions issued by the CFTC.<sup>2</sup> OCC believes that this filing raises no new regulatory or policy issues.

The proposed interpretation of OCC's By-Laws is consistent with the purposes and requirements of Section 17A of the Exchange Act because it is designed to promote the prompt and accurate clearance and settlement of transactions in securities options and security futures, to foster cooperation and coordination with persons engaged in the clearance and settlement of such transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of such transactions, and, in general, to protect investors and the public interest. It accomplishes this purpose by reducing the likelihood of a dispute as to the Commission's jurisdiction, or shared jurisdiction in the case of security futures, over derivatives based on ETFS Palladium Shares or ETFS Platinum Shares. The proposed rule change is not inconsistent with the By-Laws and Rules of OCC.

**Item 4. Self-Regulatory Organization's Statement on Burden on Competition**

OCC does not believe that the proposed rule change would impose any material burden on competition.

**Item 5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others**

Written comments were not and are not intended to be solicited with respect to the proposed rule change, and none has been received.

OCC does not consent to an extension of the time period for Commission action on the proposed rule change.

**Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)**

Not applicable.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934, 15 U.S.C. 78s(b)(1), notice is hereby given that on \_\_\_\_\_, 2010, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the  
Terms of the Substance of the Proposed Rule Change**

The proposed rule change would remove any potential cloud on the jurisdictional status of options or security futures on ETFS Palladium Shares or ETFS Platinum Shares.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

The purpose of the proposed rule change is to remove any potential cloud on the jurisdictional status of options or security futures on ETFS Palladium Shares or ETFS Platinum Shares. To accomplish this purpose, OCC is proposing to amend the interpretation following the definition of “fund share” in Article I, Section 1 of OCC’s By-Laws as set forth above. On May 30, 2008, the Commission approved rule filing SR-OCC-2008-07, which added this interpretation with respect to the treatment and clearing of options and security futures on SPDR Gold Shares and on December 4, 2008, the Commission approved rule filings SR-OCC-2008-13 and SR-OCC-2008-14, which extended similar treatment to options and security futures on iShares® COMEX Gold Shares and iShares® Silver Shares. The Commission is currently reviewing OCC’s rule filing SR-OCC-2009-20, which would extend similar treatment to options and security futures on ETFS Physical Swiss Gold Shares and ETFS Physical Silver Shares. Under the current proposed rule change, OCC would also (i) clear and treat as securities options any option contracts on ETFS Palladium Shares and ETFS Platinum Shares that are traded on securities exchanges and (ii) clear and treat as security futures any futures contracts on ETFS Palladium Shares and ETFS Platinum Shares.

In its capacity as a “derivatives clearing organization” registered as such with the CFTC, OCC is filing this proposed rule change for prior approval by the CFTC pursuant to provisions of the Commodity Exchange Act (the “CEA”) in order to foreclose any potential liability under the CEA based on an argument that the clearing by OCC of such options as securities options, or the clearing of such futures as security futures, constitutes a violation of the CEA. The products for which approval is requested are essentially the same as the options and security futures on SPDR Gold Shares, iShares® COMEX Gold Shares and iShares® Silver Shares that OCC currently clears pursuant to the rule changes referred to above and exemptions issued by the CFTC.<sup>1</sup> OCC believes that this filing raises no new regulatory or policy issues.

\* \* \*

The proposed interpretation of OCC’s By-Laws is consistent with the purposes and requirements of Section 17A of the Exchange Act because it is designed to promote the prompt and accurate clearance and settlement of transactions in securities options and security futures, to foster cooperation and coordination with persons engaged in the clearance and settlement of such transactions, to remove impediments to and perfect the mechanism of a national system for the prompt and accurate clearance and settlement of such transactions, and, in general, to protect investors and the public interest. It accomplishes this purpose by reducing the likelihood of a dispute as to the Commission’s jurisdiction, or shared jurisdiction in the case of security futures,
