

# OCC at a Glance: Products Cleared + Markets Served

## About OCC

The Options Clearing Corporation (OCC) is the world's largest equity derivatives clearing organization. Founded in 1973, OCC is dedicated to promoting stability and market integrity by delivering clearing and settlement services for options, futures and securities lending transactions.

As a Systemically Important Financial Market Utility (SIFMU), OCC operates under the jurisdiction of the U.S. Securities and Exchange Commission (SEC), the U.S. Commodity Futures Trading Commission (CFTC), and the Board of Governors of the Federal Reserve System. OCC has more than 100 Clearing Members and provides central counterparty (CCP) clearing and settlement services to 19 exchanges and trading platforms.

OCC also provides free and engaging educational resources about the benefits and risks of options through its [Options Industry Council \(OIC\)](#).
