

**THE FOUNDATION  
FOR SECURE  
MARKETS**

**#44729**

**DATE: MARCH 15, 2019**

**SUBJECT: AIV1 OPTIONS - EXPIRATION PRICING CONSIDERATION**

AIV1 (adjusted Apartment Investment and Management Company options) will be subject to special pricing consideration in expiration processing on March 15, 2019. The pricing consideration is due to the undetermined number of additional AIV shares and/or amount of cash included in the option deliverable of AIV1 as indicated below. These options will continue to be subject to normal exercise based on customary exercise thresholds in OCC's Ex-by-Ex processing.

MEMBERS SHOULD ADVISE THEIR CUSTOMERS TO TAKE THE FOLLOWING CONSIDERATIONS INTO ACCOUNT IN DECIDING TO EXERCISE, OR NOT TO EXERCISE, THESE OPTIONS.

**AIV1**

AIV1 options are adjusted Apartment Investment and Management Company options, adjusted February 21, 2019, (see OCC Information Memo #44728). The deliverable of AIV1 options is:

**NEW DELIVERABLE  
PER CONTRACT:**

- 1) 96 (New) Apartment Investment and Management Company (AIV) Class A Common Share
- 2) \$48.63 Cash
- 3) An additional amount of AIV Class A Common Shares, cash, or combination of both shares and cash, valued at approximately \$154.00 (\$1.54 x 100), based on the form of election distributed to non-electing shareholders

As of March 15, 2019, the AIV Distribution Agent has not determined the number of AIV shares and/or amount of cash distributed to non-electing shareholders.

For purposes of calculating an AIV1 price for use in expiration processing, OCC will use the following formula:

$$\text{AIV1} = 0.96 (\text{AIV}) + 0.4863 + 1.54$$

For example, if AIV closes at 50.77, the AIV1 price would be calculated as follows:

$$\text{AIV1} = 0.96 (50.77) + 0.4863 + 1.54 = 50.77$$

This formula includes an estimate for the value of the distribution and not the actual amount applicable in the distribution.

ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.
